

Post-doc/Research Associate in Intellectual property, Innovation and Sustainability

Department of Management Studies

Indian Institute of Science

Job Title:	Post Doc and Research Associate
No. of posts	Total 2 (1 each)
Nature of Employment:	Full time
Qualification:	Master's Degree (Research Associate) or PhD degree (Post-doc) related to (i) law / legal studies, (ii) innovation and technology management. Suitable candidate should have an academic record in IPR and IP management and demonstrate some ability in academic publications.
Duration:	1 year (extendable to 2.5 years, till 31 st March 2021)
Probation period:	3 months
Location:	Centre for Society and Policy AND Department of Management Studies, Indian Institute of Science
Role Summary:	<p>The post doc researcher will work on an international, interdisciplinary and transdisciplinary research project titled "Intellectual Property Models to Accelerate Sustainability Transitions - An Analysis of Sustainable Business Models for Clean Energy and the Circular Economy" (IPACST). IPACST aims to develop evidence-based insights into intellectual property (IP) models and how they can help to accelerate sustainability transition.</p> <p>IPACST is a consortium project and joint endeavour with a team of colleagues from the Institute of Management at the Freie University of Berlin (Germany), the International Institute for Industrial Environmental Economics at Lund University (Sweden) and the Department of Management Studies at the Indian Institute of Science.</p> <p>The IPACST project involves considerable travel within India. The project involves interviewing and building case studies that furthers our understanding of transition processes towards more sustainable societies particularly with a focus on the role of IP models (e.g. patent strategies, pools and pledges, licensing, open source) and sustainability.</p>
Key Responsibilities:	Research, managerial and administrative support specific to the project: 80% Support for teaching activities, writing funding proposals: 5% Support to activities related to the Centre for Society and Policy: 15%
